Thank you for your email Victor.

We rarely vote positions on pending Bills in front of the state legislature, but I agree AB1250 should be added to our City Council agenda. I will raise the issue of adding it on Tuesday night. Kirsten Keith, who is serving as the City's mayor this year, ultimately is in charge of selecting what items are placed on our agenda. She traveling out of the country and won't be at the meeting Tuesday, so it may be a few weeks before we gain confirmation it will be added to an agenda in the future.

With best regards,
Ray

I cannot believe you don't have this bill on the agenda for Tuesday's meeting. It is without doubt one of the most important bills affecting our City's finances. As a homeowner in Menlo Park subject to the costs of running the City I protest your omission. Vic Rosasco, 1300 Hillview Dr
